

**SYNERGY, EVOLUTION, AND CULTURE:  
AN INTRODUCTION TO THE  
FIELDS OF ANTHROPOLOGY**

**ROBERT SHANAFELT**

# TABLE OF CONTENTS

## INTRODUCTION

What is Anthropology?

*The Broad Base of Anthropology*  
*Four-Field Anthropology: Ideal & Reality*  
*Ethical Considerations*

Perspectives

*Unifying Visions of Culture and Evolution*  
*Providing Some Missing Coherence*  
*A Three-Fold Framework*

Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References

\*\*\*\*\*

## CHAPTER ONE. Traditional Knowledge and Scientific Discovery

Ancient Mathematical Deficiencies

Ambiguities, Contradictions, Pre-conceptions, Errors

Transformative Developments in Science

Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References

\*\*\*\*\*

## CHAPTER TWO. "In the Beginning ..."

Form and Information

Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References

\*\*\*\*\*

## **CHAPTER THREE. The Bottom Lines of Life: Getting Into and Breaking Out of Our Cells**

**The Code of Life**

**Genes and Evolution: Conservation, Modification, and Duplication**

**Conserved Genes, Amino Acid Messengers, and Behavior**

**PKU, Heterozygosity, and Gene-Environment Interaction**

**Summary Points**

**Definition of Concepts**

**For Further Consideration**

**Notes and References**

\*\*\*\*\*

## **CHAPTER FOUR. Continuity and Change in Skeletal Form**

**Introduction: Making Sense of the Bones**

**Development of the Skeleton**

**Features of Skeletons**

*Vertebrae*

*Jaws*

*Ear Bones*

*Teeth*

*Skull*

*Limbs*

**Other Distinguishing Features of Monkeys and Apes**

**Sample Hominin Fossils**

**Important Terms**

*Cranial capacity*

*Supra-orbital torus*

*Post-orbital constriction*

*Sagittal Crest*

*Dental arcade*

*Prognathism*

*Bipedal*

Toumaï  
Lucy and the “Dikika Child”  
Mrs. (or Mr.?) Ples  
The Black Skull  
KNM-ER 1470  
The Turkana Boy  
“Toothless” of Dmanisi  
Kabwe Man (Rhodesian Man)  
Old Man of La-Chapelle-aux-Saints

## The Fossil Evidence and Accounts of the Pathway to Humans

Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References

\*\*\*\*\*

## CHAPTER FIVE. Social Natures, Monkey and Ape Society, and Human Implications

Individuals, Society, and Emergent Complexity

Social Cognition and Forms of Society

Monkey and Ape Social Forms

**Female-Centered Groups**

*Savanna Baboons*

*Bonobos*

**Pair-Bonds**

*Gibbons*

**Polygynous, Male-Dominated Groups**

*Mountain Gorillas*

*Orangutans*

**Fission-Fusion Multi-Male, Multi-Female Groups**

*Chimpanzees*

**The Dynamics of Rank, Cooperation, and Subordination**

*Primate politics*

*Sex, Violence, and Power*

*Intergroup Violence*

**Implications for Human Psychology and Behavior**

**Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References**

\*\*\*\*\*

**CHAPTER SIX. Information, Animal Communication, and Language**

**Information in the World**

**Characteristics of Communication Systems**

**Physical Characteristics of Human Speech**

**The Case of Language Trained Apes**

**The Design Features of Language**

**Historical Linguistics and the Mechanisms of Language Evolution**

*Mutation in pronunciation*

*Mutation word meaning*

*Mutation in rules*

**Summary Points  
Definition of Concepts  
For Further Consideration  
Notes and References**

\*\*\*\*\*

**CHAPTER SEVEN. Early Symbolic Expression and the Building Blocks of Language**

**The Origin of Language**

**Archaeological Evidence for Symbolic Thought and Communication**

*Earliest Evidence*

*Evidence from Mortuary Practices*

*Early Artistic Representation*

**Making for Language and Linguistic Productivity**

**The Building Blocks of Language**

**Syntax and the Human Mind**

**Language Socialization**

**A Note on Language, Autism, and William's Syndrome**

**Summary Points**

**Definition of Concepts**

**For Further Consideration**

**Notes and References**

\*\*\*\*\*

## **CHAPTER EIGHT. Technological and Social Evolution**

**Tools, Society, and Knowledge**

**Early Hominin Tools and Inventions**

**From Stones to Soft Metals and Clay Pots**

**Doing Big Stuff with Big Stones**

*Artifacts as Our Cultural Heritage*

**Social Evolution in Anthropological Thought**

*Changing Fortunes of Social Evolutionism:*

*From Local Ecologies to Complex World Systems*

**What All Societies May Have in Common**

**Making a Living: From Foraging to Agriculture and Beyond**

**The Roles of Leadership, Kinship, and Social Structure**

**Case Studies from Egalitarian and Rank Societies**

I. Making a Living as a Prehistoric Forager:

Evidence from Wadi Kubbaniya

II. Megaliths, Religion, and Rank Order: Britain's Stone Megaliths

III. Kin-Order and Kingship in Early China

IV. Gendered Power and the Power of Egypt's Queen Hatshepsut

V. Human Sacrifice and the Power-Burials of Ur

**Enlarged Social Scales and Scopes**

*From Empires to World Systems*

**Summary Points**

**Definition of Concepts  
For Further Consideration  
Notes and References**

\*\*\*\*\*

## **CHAPTER NINE. Linguistic Relativity, Meaning, and the Cultural Contexts of Language**

**Language in Context**

**Language and Perception**

**Testing Linguistic Relativism**

**Moderate Relativism, Universalism, and Embodied Cultural Semantics**

*Spatial Metaphors*

*Physical Forces*

*The Body*

*Eating*

*Animals*

*Key Words and Metaphors*

**Culture and Linguistic Frames**

**Linguistic Frames, Status, and Gender**

**Summary Points**

**Definition of Concepts**

**For Further Consideration**

**Notes and References**

\*\*\*\*\*

## **CHAPTER TEN. Cultural Configurations: Form and Meaning in the World of Cultural Anthropology**

**Configurations and their Components**

*Yir Yoront Axes*

*Japanese Wedding Cakes*

*Sugar...Sugar... Not Honey, Honey*

*Arranging Marriage Internet Style*

*Iroquois Condolences*

*Kwakiutl Names*

**Motifs Across the Divides**

*Rambo in the Rainforest*

**Ideological Culture**

**Ideology in Practice**

*Violence against Women:*

*The Aggressor Who Talks Like He's a Victim*

*Ideologies of "Us" and "Them."*

*Transcendent Ideologies. Expanding the Sense of Human Kinship*

**Summary Points**

**Definition of Concepts**

**For Further Consideration**

**Notes and References**

\*\*\*\*\*

**CONCLUDING COMMENTS**
